EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Aaron A. Fishman, Reg. No. 44682 on November 22, 2005.

Please amend the claims as follows:

- Cancel claims 2 and 6-25; and amend claim 1 as follows:

Claim 1: A music-data reproducing system using a download program comprising:

a server having a plurality of pieces of application software; and

a portable telephone which includes:

a storage means which stores music data;

a history recording means which records a history of downloading application software from the server;

a search means for searching the history to determine the presence or absence of application software

corresponding to a music data format defined in connection with the music data;

an instructing means which instructs the server to download the application software corresponding to a music data format defined in connection with the music data, the application software is downloaded through a communication network; and

an application software executing means which executes the application software by using the menu data after completion of the downloading the application software.
